ABOUT ME

I'm a Computer Science student at DAV University and have a keen interest in web development and graphic design. I have worked on full-stack projects using React, Firebase, and Node.js, and have also designed digital creatives using tools like Photoshop and Canva. I enjoy building applications that are both functional and visually appealing, and I am always eager to learn and improve.

EDUCATION

2022 - Present
DAV University, Jalandhar

Bachelor of Technology
Computer Science & Engineering
CGPA : 7.77

2021 - 2022
